

Industrial 19% Floor Finish

Product Code: 308

PRODUCT DESCRIPTION:

Industrial 19 Floor Finish is long wearing. It leaves a protective high gloss on all resilient flooring, terrazzo, and hard tile surfaces. Black mark and detergent resistant, quick drying. Excellent leveling properties and slip resistant. Does not require buffing but is easily maintained using a variety of maintenance procedures including spray buff and mop on restorers followed by high speed burnishing. Super durable yet easily removed with our non-ammoniated, ammoniated, or no rinse strippers.

SURFACES & LOCATIONS FOR USE:

vinyl · vinyl asbestos · asphalt · tile · sealed terrazzo · rubber · concrete · linoleum · composition tile
wood

DIRECTIONS: *See full label for complete directions.*

Apply a thin uniform coat of finish to floor with new rayon mop. Allow to dry approximately 30 minutes. We recommend applying 3 – 4 uniform coats in this manner. Never pour left over finish back into the container to avoid contamination.

Coverage: Initial Coat: 1,500-2,000 sq. ft. per gallon.

Additional Coats: 2,500-3,000 sq. ft. per gallon

PACKAGING OPTIONS:
