

# Formula 442

## Ready to Use Acid Free Disinfectant

Product Code: 442

### PRODUCT DESCRIPTION: KILLS 99.9% OF GERMS

This product is a one-step germicidal cleaner and deodorant designed for general cleaning, disinfecting deodorizing and controlling mold and mildew on hard, non-porous inanimate surfaces. Quickly removes dirt, grime, mold, mildew, food residue, blood and other organic matter. Easily removes soap scum. Eliminates odors leaving areas smelling fresh and clean.

### SURFACES & LOCATIONS FOR USE:

homes · hospitals · shower rooms · locker rooms · public restrooms · schools · food processing plants  
food service establishments transportation terminals · office buildings · manufacturing facilities · hotels  
retail businesses · vet clinics · pet shops · animal life science laboratories · athletic/recreational facilities

### DIRECTIONS: See full label for complete directions.

Remove gross filth or heavy soil prior to application of the product. Hold container six to eight inches from surface to be treated. Spray area until it is covered with the solution. Allow product to remain wet on the surface for a few minutes (see label and efficacy data). No scrubbing is necessary. Wipe off with a clean cloth, mop or sponge. This product will not leave grit or soap scum.
