

Pro-Shield

Stain Protector

Product Code: 468

PRODUCT DESCRIPTION:

Pro-Shield is a water and oil repellent finishing agent. It provides excellent soil resistance on carpets, leather and upholstery fabrics. Designed to protect home, commercial furnishings and automotive upholstery from wet and dry soiling. It produces a durable finish, helping treated fabrics and carpets retain their fresh new look longer. Pro-Shield can be used on all types of upholstery fabrics and carpets made from synthetic or natural fibers and their blends.

SURFACES & LOCATIONS FOR USE:

carpets · rugs · upholstery · apparel · leather · vinyl

DIRECTIONS: *See full label for complete directions.*

Pour contents directly into a sprayer and apply. Use a coarse spray device such as a trigger sprayer or low pressure (35-45 psi) dispenser with particle size production of greater than 15 microns. Do not aerosolize or atomize. A uniform spray is essential to insure an even, optimum treatment. Allow time to completely air dry.

Coverage: 250—500 sq. ft. per gallon, depending on application rate, method of application, and porosity of the substrate.

PACKAGING OPTIONS:

4/1 Gallon Case · 5 Gallon Pail · 55 Gallon Drum · 275 Gallon Tote

SPECIFICATIONS:

Physical State: Liquid

Color: Off White

Odor: Mild/Sweet Odor

pH: 4.5 - 6.5

Specific Gravity: 0.998

DOT Regulations: Not Regulated

GHS Pictograms: None

Consistent with the goals of the voluntary US EPA 2010/15 PFOA Stewardship Program, our surface protection products are based on short-chain (<C6) technology - cannot break down into PFOA (>C8) in the environment, and represent a superior environmental, health and safety profile to alternate "C4" chemistry.
