

SUPER MACHINE CHLORINATED MACHINE DISH POWDER

PRODUCT DESCRIPTION

Super Machine Dish Powder from Arrow is a chlorinated machine dishwashing powder formulated to minimize stain deposits from coffee, tea, and lipstick off china and plasticware. The free rinsing solution prevents hardness from forming a film on dishes, glassware, and silverware, and manages build-up from lime, magnesium, and iron precipitates. Specially designed for institutional use.

DIRECTIONS

See full label for complete directions.
Prepare items by removing loose debris and excess grease. Add 1 to 2 tablespoons per washload. This product is designed for commercial use and it does not contain filler. For best results do not overuse this product.
