PRODUCT DESCRIPTION

Arrow's Lime, Scale & Rust Remover delivers a concentrated blend of acid and detergent designed to tackle cleaning jobs. Formulated to remove iron, rust, scale and lime build-up from stained surfaces and metal including steam tables, dishwashers and other equipment exposed to high temperature. Safe for cleaning and brightening aluminum, magnesium, stainless steel, copper, and chrome. Use Arrow's Lime, Scale & Rust Remover to clean soap scum and body oils from shower stalls and restroom floors.

DIRECTIONS

See full label for complete directions.

Shower stalls, fixtures, drinking fountains, ceramic tile, floors and walls: Use 2 oz. to 1 gallon of water. Allow solution to remain on surface for a few minutes. Agitate if necessary and rinse thoroughly with water.

Dish Machines: Use 2 - 4 oz. per gallon of water in wash or rinse tank of machine. Run for 15 minutes. Drain. Follow with dishwashing detergent.

Ice Machine Cleaning: Dilute 1 - 2 oz. per gallon of water and follow machine cleaning instructions.

Rust, oxidation & heavy carbon deposits: Use 8 - 10 oz. per gallon of water. Allow solution to remain for 10 minutes and rinse thoroughly with water.

To clean and brighten stainless steel, aluminum, copper, and chrome: Use 10 - 12 oz. per gallon of water. Rinse and wipe dry.

PACKAGING

4/1 Gallon Case

SPECIFICATIONS

Physical State: Liquid

Color: Clear Light Yellow

Odor: Mild Acid

pH: < 1

Specific Gravity: 1.0 - 1.1

IDEAL FOR

Dish Machines • Food Service Equipment With Mineral Build Up • Ice Cream/Yogurt Dispensers • Ice Melt & Salt Residue

Product Code: 115E
