PRODUCT DESCRIPTION

When you need to speed drying time and get glasses, dishes, utensils, and plasticware spot-and-streak-free, use Arrow's All Temperature Rinse. This concentrated sheeting agent saves time and labor by controlling foam and leaving surfaces sparkling clean without towel drying. This product is also ideal for use in hard water areas, automatic car wash systems, and power washing operations. Biodegradable.

DIRECTIONS

See full label for complete directions. Automatic injection recommended. See your service representative for proper dosing. For manual operations add 1/2 oz. per gallon of water
