PRODUCT DESCRIPTION

AroDip from Arrow is liquid concentrate for manual cleaning of glassware, cooking utensils, silverware, plasticware, pots, pans, and dishes. Leaves glassware with a polished look without spots or soapy film. No toweling or wiping necessary. Economical and effective in hard or soft water.

DIRECTIONS

See full label for complete directions.
 Use 1/2 oz. per 3 gallons of water. Add water to detergent in sink to make suds. Rinse and sanitize according to local health department regulations. Use 1 oz. per gallon of water for cleaning pots & pans and as a general cleaner for washable surfaces such as refrigerators, stoves, stainless steel, and windows.
