## PRODUCT DESCRIPTION

Arrow formulated Block Whitener Cleaner with Bleach to quickly and efficiently clean and whiten plastic and wood cutting blocks. It eliminates stains caused by grease, protein, fruits, vegetables, blood and other difficult food soils. This product can also be used to clean hard, non-porous surfaces not harmed by bleach such as: countertops, sinks, appliances, toilet bowls, tubs and white grout.

## DIRECTIONS

See full label for complete directions.

Test in an inconspicuous area before using. This product can be used full strength or diluted as necessary. Spray 4-6 inches from surface or apply with a sponge or cloth. Let stand for 30 seconds. Rinse or wipe clean. Rinse food contact surfaces with potable water before reuse.
