

GARAGE FLOOR CLEANER

PRODUCT DESCRIPTION

Arrow's Garage Floor Cleaner easily dissolves grease, oil, and dirt and rinses away quickly with no floor damage. The heavy-duty formula contains caustic soda for extra cleaning power, but the pine scent leaves a clean, fresh smell for improved air quality.

DIRECTIONS

See full label for complete directions. Sweep floor to remove loose debris. Wet floor with hot water and sprinkle powder over floor surface. Agitate or scrub with a stiff broom or brush. Allow solution to remain for a few minutes, rinse with water and allow surface to dry before allowing any foot traffic.

PACKAGING

50 Pound Pail

SPECIFICATIONS
