## PRODUCT DESCRIPTION

Citrus H<sub>2</sub>O<sub>2</sub> from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges. The unique blend of natural citrus oils breaks down grease and grime, and the hydrogen peroxide adds oxygen-based micro-bubbles to lift stains, oxidize soils, and destroy odors. Super concentration maximizes the cleaning power of this multipurpose cleaner/degreaser; the biodegradable, environmentally preferable formulation provides effective color-safe bleaching.

## DIRECTIONS

See full label for complete directions.

**Light Duty Cleaning (Spray & Wipe, Glass, Stainless Steel):** Dilute 1/2 - 1 oz. per gallon of water.
