## PRODUCT DESCRIPTION

Arrow's Facility Disinfectant Cleaner is a concentrated, no-rinse, pH neutral disinfectant cleaner and deodorizer in a single solution that kills germs, odors, mold and mildew. The lemon-scented formulation also cleans dirt, grime, blood, urine, fecal matter, and other common soils without leaving a residue or dulling finished floors. Use on hard surfaces to kill H1N1, MRSA, and CA-MRSA. See efficacy data for complete list of bacteria, viruses, fungi and disinfecting kill claims.

## DIRECTIONS

See full label for complete directions. Rinse hard, non-porous food contact surfaces with potable water after application of product. Before using this product in federally inspected meat and poultry food processing plants and dairies, food products and packaging materials must be removed from the room or carefully protected.
