PRODUCT DESCRIPTION

Arrow's AroMax is a neutral, super concentrated, one-step, disinfectant cleaner, virucide, mildewstat, fungicide and deodorizer for use in health care, schools, veterinary, food handling and processing areas. With a formula that kills 99.9% of germs using only ½ oz. per gallon of water without rinsing, AroMax is an economical solution. This One Step Disinfectant meets OSHA Bloodborne Pathogen Standard and kills HIV, HBV, and HCV. Useful in kennels where 2.25 oz. per gallon of water effectively kills Canine Parvovirus.

DIRECTIONS

See full label for complete directions.

This product is for use on sealed floors, walls, countertops, sinks, tub surfaces, glazed tile, sealed granite, sealed marble, tables, chairs, desks, automobile interiors, plastic, vinyl and plastic upholstery. This product has been formulated to aid in the reduction of cross-contamination on treated hard, non-porous surfaces not only in hospitals, but also in schools, institutions and industry.

Dispensing Equipment: See your sales representative for accurate dosing.
