PRODUCT DESCRIPTION

AC-69 from Arrow is the superior environmentally preferred non-solvent cleaner. The liquid cleaner breaks the bond between the dirt and the surface without solvents, butyls, phosphates, caustics, acids, or fillers. The formula is highly effective on graphite, grease, synthetic lubricants, silicone, iodine, and ink and treats spots and stains on carpet and laundry items. Contractor's #1 choice for fire restoration clean-ups.

DIRECTIONS

Dilute 2 - 4 oz. per gallon of water. AC-69 may be used in a variety of applications such as spray & wipe, automatic scrubbers, mop buckets and much more. Always pre-test in an inconspicuous area.
