PRODUCT DESCRIPTION

Rebuff from Arrow is uniquely formulated for use as a spray buff or mop-on floor enhancer. The thermally activated relaminator repairs scuffs, scratches and abrasions, cleaning, rejuvenating, and extending base coats while restoring a 'wet look' sheen. Rebuff also prevents slippery floors, especially in heavy traffic areas.

DIRECTIONS

See full label for complete directions.

Sweep floor thoroughly to remove loose dirt and debris. Damp mop with a neutral cleaner. Dilute 32 oz. per gallon of water. This product may be diluted more or less, or used full strength depending on floor conditions. Apply a thin coat of Rebuff to floor and let dry. Dry buff using a non-aggressive polishing pad.

PACKAGING

4/1 Gallon Case
