## PRODUCT DESCRIPTION

London Polish from Arrow produces a hard, brilliant luster that protects and seals. Ideal for fine woodwork and polishable surfaces because the solution removes old wax build-up, conditions and moisturizes with natural lemon oil. Try it on paneling, formica, leather and vinyl, too! Not for use on flooring.

## DIRECTIONS

See full label for complete directions.

For best results, apply to surfaces with a soft, slightly damp cloth or through a trigger sprayer. Polish with a clean dry cloth.

**DO NOT USE THIS PRODUCT ON FLOORS**
