

HANG TIME READY TO USE FOAMING DISINFECTANT CLEANER

PRODUCT DESCRIPTION

Arrow's Hangtime Foaming Disinfectant cleans, deodorizes, and disinfects with one step. The powerful foaming action makes disinfecting vertical surfaces easy, while clinging foam stays in place to allow maximum contact time for proper disinfection. Removes soap scum and body oil in shower areas. Also useful as a mildewstat, virucide, and fungicide.

DIRECTIONS

See full label for complete directions.

Disinfection, Deodorizing and Cleaning: Remove visible soil prior to application of the product. Hold container six to eight inches from surface to be treated. Spray area until it is covered with the solution. Allow product to penetrate and the surface to remain wet for 3 minutes. No scrubbing is necessary. Wipe off with a clean cloth, mop or sponge. The product will not leave grit or soap scum.
