PRODUCT DESCRIPTION

Arrow's Supercide has a phosphate-free formulation designed to provide effective cleaning, deodorization, and disinfection specifically for hospitals, nursing homes, schools, and food processing plants. A one step-cleaner, disinfectant, deodorizer, virucide, fungicide, and that kills a wide variety of bacteria and meets all requirements for hospital use. See product label for all "kill claims".

DIRECTIONS

See full label for complete directions.

Disinfection: To disinfect inanimate, hard, non-porous surfaces add 2 ounces of this product per gallon of water. Apply solution with a mop, cloth, sponger, hand pump trigger sprayer, or low pressure coarse sprayer so as to wet all surfaces thoroughly. Allow to remain wet for 10 minutes, then remove excess liquid. For heavily soiled areas, a pre-cleaning step is required.
