PRODUCT DESCRIPTION

Arrow's ProClean is a professional cleaner and deodorizer effective on toilet bowls, urinals, certain tile & grout, and other surfaces not harmed by acid cleaning. Formulated to remove scale, rust, algae stains, calcium deposits and discolorations. ProClean's 45% phosphoric acid content delivers maximum cleaning power.

DIRECTIONS

See full label for complete directions.

FOR USE BY TRAINED PROFESSIONALS WITH PROPER PERSONAL PROTECTIVE EQUIPMENT ONLY.

Toilet Bowls & Urinals: Force water over trap with swab mop, saturate swab with cleaner and wet all surfaces thoroughly. Allow cleaner to remain for 10 minutes or until all rust, scale and stains are loosened. Rinse by flushing.

Sinks, Tubs, Showers Stalls, Ceramic Tile, Floors & Drinking Fountains: Dilute one part product with 2 parts water and apply to wet surface with mop, sponge, cloth, or brush. Allow cleaner to remain for 10 minutes and rinse with water.

For Heavily Soiled Grout: ProClean may be used as is or diluted with water as necessary to clean heavily soiled grout. Apply solution to area and allow it to remain for a few minutes. Agitate with a stiff brush if necessary. Rinse thoroughly with water.

Note: Test in an inconspicuous area before using.
