PRODUCT DESCRIPTION

AroPhos from Arrow has a super thick formula designed to cling to vertical surfaces for maximum penetration and effortless cleaning. With 20% phosphoric acid, AroPhos removes scale, rust, algae, calcium deposits and discolorations. Effective on sinks, tubs, showerstalls, tile, and toilet bowls.

DIRECTIONS

See full label for complete directions.

Toilet Bowls & Urinals: Force water over trap with swab mop, saturate swab with cleaner and wet all surfaces thoroughly. Allow cleaner to remain for 10 minutes or until all rust, scale and stains are loosened. Rinse by flushing.

Sinks, Tubs, Showers Stalls, Ceramic Tile, Floors & Drinking Fountains: Dilute one part product with 2 parts water and apply to wet surface with mop, sponge, cloth, or brush. Allow cleaner to remain for 10 minutes and rinse with water.

Note: Test in an inconspicuous area before using.
