PRODUCT DESCRIPTION

Arrow's powerful Fast Action Drain Opener lives up to its name by dissolving and removing obstructions caused by hair, grease, paper, matches, rags, and organic matter. No need to remove standing water; just pour directly into drain. Fast action drain opener does not contain sulfuric acid and is not harmful to plumbing or fixtures.

DIRECTIONS

Stopped Drains: Use 16 ounces and allow to work 30 minutes.

Basement Drains: Pour into drain and leave overnight.

Slow Drains: Use 4 - 6 ounces every 20 minutes until drain returns to normal.

Maintenance: To keep drains running freely, use 2 - 4 ounces once per week.
