PRODUCT DESCRIPTION

A powerful, environmentally preferable degreaser, Arrow's Eco-Orange instantly penetrates and emulsifies grease, oil, dirt and grime, removes rubber tire marks, and tackles baked-on carbon deposits. Ideal for cleaning factory floors, machinery, engines, tools, trucks, and parts using manual cleaning, pressure washers, steam cleaners or automatic scrubbers.

DIRECTIONS

See full label for complete directions.

Light Duty Cleaning: 1 - 2 oz. per gallon of water.

Medium Duty Cleaning: 3 - 4 oz. per gallon of water.

Heavy Duty Cleaning: 5 - 10 oz. per gallon of water.

Eco-Orange may be applied using an auto scrubber, sponge, brush, mop, pressure washer, or spray & wipe cleaner. Apply solution to surface, allow 3 - 5 minutes to penetrate, rinse thoroughly if needed.
