COMPLETE CLEANING SOLUTIONS

Find Targeted Cleaning Solutions at Arrow

Arrow develops and produces cleaning products for a wide variety of applications, from floors and upholstery to car care, across a range of environments from industrial to foodservice.

We help you grow your business by delivering complete chemical solutions using a century of expertise in private brand and contract manufacturing.

We know that working with a team that can solve industrial and commercial cleaning challenges is essential to getting the results you need to reach your goals. And as a family-owned Michigan-based business, we understand the value of reliable partnerships. When you choose Arrow as your cleaning chemical solutions provider, you'll benefit our experience and deep commitment to exceeding customer expectations.

Our commitment to customers began in 1933, and we continue to deliver results by:

- ▶ Keeping pace with advancements in cleaning solution technologies
- ▶ Investing in our manufacturing capabilities to ensure you have the products and services you need when you need them
- ▶ Listening to your ideas and goals
- ▶ Responding with formulations and innovative packaging that will build your brand

Whether you purchase from the hundreds of stocked products in this catalog, need a private label, or want a custom blend, you'll get personalized service and high-quality formulations from Arrow. Our solutions model includes:

- ▶ Regulatory and compliance support
- ▶ Technical expertise with product development and analysis
- ▶ Packaging and labeling capabilities for your private brand or custom label

All-Purpose and Industrial Cleaners

Effective and Easy-to-Use!

We formulated our All-Purpose and Industrial cleaning solutions to tackle cleaning challenges on multiple surfaces across industries and end-uses.

Glass and Surface Cleaners

Arrow 012

GLASS & SURFACE CLEANER

Our eco-friendly cleaner cuts through smoke, grease and grime while polishing surfaces.

Arrow 450

GLASS BLAST

Clean, brighten and polish glass and other surfaces. Choose an easy-to-use spray or economical refill. Dries fast without streaks or residue.

Arrow 451

CONCENTRATED GLASS & SURFACE CLEANER

Concentrated Glass & Surface Cleaner's advanced formula cuts through smoke, grease, and grime.

Arrow 570

AMMONIATED GLASS CLEANER

Cut through grease, grime, smoke, finger prints and smudges with this quick drying, glass cleaner. Use confidently on glass, windows, plastic, mirrors and more.

Heavy Duty Cleaners and Degreasers

Arrow 200

AUTO SCRUB 7000

A powerful low-foaming cleaner/degreaser ideal for production and factory floors, machinery, engines, tools, trucks, and parts.

Arrow 234

X234 HEAVY DUTY DEGREASER

Designed to tackle tough cleaning jobs by instantly dissolving and emulsifying heavy grease, oil, carbon deposits in a variety of applications.

Heavy Duty Cleaners and Degreasers

Arrow 245

CITRA CLING CITRUS BASED DEGREASER GEL

Made with natural citrus ingredients and a formulation that clings to vertical surfaces, Citra Cling delivers maximum cleaning power.

Arrow 247

SUPER CITRUS SOLVENT

A natural citrus solvent that is non-caustic, non-acid, and non-corrosive, Arrow's Super Citrus Solvent uses D-Limonene, a citrus fruit by-product to deliver an aggressive clean.

Arrow 248

CITRUS DEGREASER

D-Limonene, a citrus fruit by-product powers Arrow Citrus Degreaser, an environmentally mindful, economical, and versatile solution for tackling many cleaning challenges.

Arrow 249

EASY GREEN

Biodegradable and non-toxic, Arrow's Easy Green multi-purpose product is safe for non-porous washable surfaces, with a concentrated formula that delivers an economical and aggressive cleaner, degreaser, and deodorizer.

Arrow 269

AC-69 NON-SOLVENT CLEANER & DEGREASER

A superior non-solvent cleaner in the SaferChoice* label. Highly effective on graphite, grease, synthetic lubricants, silicone, iodine, and ink. Mindful yet powerful ingredients.

Arrow 600

900 DEGREASER

Arrow's 900 Degreaser is a versatile, economical, and heavy-duty butyl-based cleaner with flexible dilution ratios to meet a variety of cleaning challenges on hard surfaces, carpet, and fabric.

Heavy Duty Cleaners and Degreasers

Arrow 688 ECO-ORANGE

A powerful, environmentally preferable degreaser, Arrow's Eco-Orange instantly penetrates and emulsifies grease, oil, dirt, and grime. Formulated with chemicals listed by Cleangredients.

Multi-Surface Cleaners

Arrow 210 KLENZ-ALL

Klenz-All is a powerful, powdered, all-purpose cleaner safe for hard surfaces and floors. You supply the water, making this product economical as well as versatile.

Arrow 236 AROLOSO

Aroloso from Arrow effectively cleans, shines, and deodorizes with a light, long-lasting lavender fragrance. Ideal for multiple hard surfaces or any area prone to malodors.

Arrow 239 ALL PURPOSE NEUTRAL CLEANER

An economical, daily solution for all washable surfaces, Arrow's All Purpose Neutral Cleaner is easy to use with mopping, auto scrubbing, or spray and wipe applications. Fresh Rain and Spearmint scent.

Multi-Surface Cleaners

Arrow 241

ARO NEU

Aro Neu is a pH-neutral detergent specifically formulated for daily use on high gloss floor finishes, appliances, painted walls, ceramic tile, countertops, and wood. Fresh Scent.

Arrow 242

DAMP MOP

A versatile, concentrated neutral cleaner, Arrow's Damp Mop effectively cleans acrylic floor finishes, marble, granite, natural stone, wood floors, and other water-cleanable surfaces. Lemon Scent.

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease, lifting stains and soils, and destroying odors.

Arrow 265

OIL SCRUB SOAP

Easily remove soil and dirt from waxed or painted surfaces including appliances, stainless steel, and woodwork without harm, leaving only a fresh, natural fragrance behind.

Arrow 400

AROFECT

Arofect from Arrow relies on natural pine oil to deliver an effective deodorizer, but the super concentrated formula provides powerful, heavy duty cleaning.

Arrow 609

SWIPE

Arrow's Swipe Cleaner and Degreaser is a powerful ready-to-use formula that tackles soil and grease on a variety of surfaces from floors and countertops to fabric and carpets.

Carpet, Upholstery, and Laundry Care Solutions

Clean and Protect!

Choose from a range of liquid and powdered carpet, upholstery, and laundry care products formulated to deliver deep cleaning and deodorizing.

Carpet Shampoos

Arrow 461

RUG & UPHOLSTERY CLEANER

A liquid synthetic based shampoo that effectively cleans modern fabrics. The rich, long-lasting foam quickly removes oil and grease, lifting dirt and suspending it for easy vacuuming. For rotary and bonnet machines.

Extraction & Truck Mount Carpet Cleaning Solutions

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease and grime, and lifting stains, soils, and odors.

Arrow 269

AC-69 NON-SOLVENT CLEANER & DEGREASER

A superior non-solvent cleaner in the SaferChoice* label. Highly effective on graphite, grease, synthetic lubricants, silicone, iodine, and ink.

Arrow 314

NEUTRALIZER

A concentrated, advanced floor and carpet neutralizer designed to remove alkaline residue. Neutralizes stripping solutions, carpet cleaning solutions, rock salt and ice melt residue. Removes tannins and prevents browning.

Arrow 463

EXTRACTION CLEANER

Arrow's liquid carpet Extraction Cleaner works with a variety of extraction systems to quickly penetrate heavy soils, grease, oil, stains, and dirt, instantly brightening carpet fibers and surfaces.

Arrow 469

FOAM AWAY

Break down foam instantly without harming hoses or equipment with Arrow Foam Away. Ideal for use in recovery systems, steam cleaning machines, water extractors, automatic scrubbers, or anywhere suds create a problem.

Arrow 113LP

CONCENTRATED DESTAINER

Effectively remove tough laundry stains and odors on most natural and synthetic bleach-safe fabrics with a formula specifically designed for institutional laundries.

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease and grime, and lifting stains, soils, and odors. Provides superior stain removal and color safe bleaching.

Arrow 269

AC-69 NON-SOLVENT CLEANER & DEGREASER

A superior non-solvent cleaner in the SaferChoice* label. Highly effective on graphite, grease, synthetic lubricants, silicone, iodine, and ink. Tough stain spotter.

Arrow 473

AROFRESH

Arrow's AroFresh Fabric Softener and Neutralizer eliminates static cling while tackling detergent residues and water hardness minerals that yellow and gray fabrics. Neutralizes alkaline detergents, eliminating the need for sour.

Arrow 475

AWS PREMIUM LAUNDRY POWDER

Concentrated, quality cleaning at an affordable price with low sudsing, low phosphate, free-rinsing detergent that cleans tough stains.

Arrow 476

AROBRITE

A highly concentrated, heavy-duty solution in the Safer Choice* Label that is effective in all temperatures, and powerful enough to remove stubborn dirt and stains while gently brightening fabrics.

Laundry Cleaning Solutions

Arrow 478

LIQUID LAUNDRY DETERGENT

Gently removes tough stains and odors from all types of fabrics. High-efficiency compatible. Brightens, whitens and leaves the entire load smelling fresh and clean.

Arrow 477

LEMON FRESH LAUNDRY POWDER

A concentrated, economical, brightly scented powder containing powerful soil suspending agents and controlled suds to facilitate proper washing and thorough rinsing action.

Arrow 499

OXY POWER

Oxy Power is a multi-purpose stain remover, color brightener, deodorizer, mold and mildew stain remover, safe for all washable fabrics and surfaces including carpets, countertops, and shower rooms.

Arrow 826

LAUNDRY BREAK

A powerful, heavy-duty liquid solution for tough laundry problems that contains alkali builders and suspending agents to emulsify greasy soils and keep them suspended to prevent soil re-deposition. For dispensing use only.

Eliminate dirt and stains on rugs, carpeting, and fabrics such as wool, cotton, nylon, or other synthetics with solutions from Arrow.

Arrow 432

SPOT, STAIN & ODOR REMOVER

An easy-to-use, all-purpose carpet and upholstery spotter that combines detergent and deodorant to emulsify and lifts soils for removal by blotting or extracting methods or in laundry.

Arrow 434

LEMON DEODORANT

A super-concentrated odor neutralizer to use in carpet cleaning solutions, mop water, as an air spray, and for general deodorizing. Long-lasting fresh lemon scent.

Arrow 436

MULTI-ZYME SUPER DIGESTANT

A multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste including proteins, fats, oils, grease, starches, hair, and vegetable gums. Great on pet stains and odors.

Arrow 437

AROLIMINATOR

A versatile, highly concentrated odor counteractant that's ideal for use with carpet cleaning solutions, in mop water, as an air spray, or for general deodorizing.

Arrow 468

PRO-SHIELD STAIN PROTECTOR

A water and oil repelling finishing agent that provides excellent soil resistance on carpets, leather and upholstery and produces a durable finish that helps retain a like-new look.

Disinfectants

Arrow disinfectants and sanitizers kill or reduce the number of germs on objects or surfaces through formulas specifically designed to lower the risk of spreading infection. Whether you need a concentrated disinfectant or a ready-to-use solution, Arrow disinfectants and sanitizers get the job done!

Concentrated Disinfectants

Arrow 150 SANITIZER

Designed specifically for food processing plants, dairies, restaurants, bars, and institutions where disinfection, sanitization, and deodorization are vital to creating a healthy environment. This product can be diluted as a food contact surface sanitizer as well as for hospital-type disinfection.

Arrow 250 FACILITY DISINFECTANT CLEANER

A concentrated, no-rinse, pH neutral disinfectant cleaner and lemon-scented deodorizer that kills germs, odors, mold, mildew, dirt, and grime with no residue. Use on hard surfaces to kill H1N1, MRSA, and CA-MRSA.

Arrow 251 FACILITY DISINFECTANT CLEANER

The pine-scented formulation is a concentrated, no-rinse, pH neutral disinfectant cleaner and deodorizer that kills germs, odors, mold, mildew, dirt, and grime with no residue. Use on hard surfaces to kill H1N1, MRSA, and CA-MRSA.

Arrow 252 LEMON FRESH NUTRAQUAT

A one step, neutral pH disinfectant, virucide, fungicide, mildewstat, deodorizing cleaner that can tackle a variety of microorganisms including: staphylococcus aureus, streptococcus pyogenes, HIV-1 and the Coronavirus that causes COVID-19.

Arrow 253 FRESH & CLEAN NUTRAQUAT

This versatile, pH neutral cleaner and disinfectant kills a broad spectrum of microorganisms including the virus that causes COVID-19. Use confidently on hard, non-porous surfaces including polished floors, restroom surfaces and other high-touch surfaces to reduce the risk of cross-contamination.

Arrow 256 AROMAX 256

A neutral, super concentrated, one-step, disinfectant cleaner, virucide, mildewstat, fungicide and deodorizer for use in health care, schools, veterinary, food handling and processing areas. Disinfection at 1/2 oz per gallon of water.

Arrow 444

SUPERCIDE

A phosphate-free, alkaline formulation designed to provide effective cleaning, deodorization, and disinfection specifically for hospitals, nursing homes, schools, and food processing plants.

**Effectively cleaning and
disinfecting surfaces
and objects is easy
with complete cleaning
solutions from Arrow.**

Ready-to-Use Disinfectants

Arrow 174

DISINFECTANT WIPES

These hospital-type disinfectant wipes have an antibacterial formula that cleans, disinfects, and deodorizes in one easy step. They are virucidal, tuberculocidal, bactericidal and pseudomonocidal.

Arrow 439

TAKE-1 GLASS & ALL SURFACE DISINFECTANT

Clean, disinfect, and deodorize in one easy step with a phosphate-free formula works effectively in facilities where controlling the hazards of cross contamination is a priority.

Arrow 442

FORMULA 442

A one-step germicidal cleaner and deodorant designed for general cleaning, disinfecting, and deodorizing. Controls mold and mildew on hard, non-porous inanimate surfaces.

Arrow 443

HANG TIME

Clean, deodorize, and disinfect with one step and a powerful foaming action that makes disinfecting vertical surfaces easy. Clinging foam stays in place to allow maximum contact time for proper disinfection.

Environmentally Responsible

Get maximum power to tackle cleaning challenges with biodegradable, environmentally preferable formulations for multiple surfaces like glass, fabric, marble, tile, and wood. And many products in Arrow's Environmentally Responsible line are versatile with dilution ratios for light or heavy-duty cleaning.

Environmentally Responsible

Arrow 010

PH NEUTRAL DAILY CLEANER

pH Neutral Daily Cleaner is an all-purpose, environmentally preferable, no rinse, solution formulated to quickly penetrate and emulsify light to medium soils.

Arrow 012

GLASS & SURFACE CLEANER

Our eco-friendly cleaner cuts through smoke, grease and grime while polishing surfaces.

Arrow 069

AC-69 NON-SOLVENT CLEANER & DEGREASER

Arrow's AC-69 Cleaner Degreaser is safe to use on metals, concrete, carpet, fabric, walls, and floors. Contractor's #1 choice for fire restoration clean-ups.

Arrow 162

SUNSHINE WITH LEMON BURST

Long lasting sudsing power that quickly cuts through the toughest grease with a super-concentrated formula and a fresh lemon burst fragrance that leaves dishes sparkling clean.

Arrow 172

UPSET SPILL & MESS ABSORBENT

Upset destroys odors on contact and absorbs mess in one quick step. Non-toxic and environmentally friendly, Upset provides fast and complete clean-up.

Arrow 175

CLEAN SWEEP

Made from uniform northern wood fiber compounded with A-1 grade paraffin oil, Clean Sweep is ideal for use on unwaxed floors, leaving no grit on wood, concrete, or cement.

Arrow 185

WAX SWEEP

A unique wax formulation that coats the compound's wood fibers for maximum absorption of dust and soil. Safe to use on all floor types.

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease and grime, and lifting stains, soils, and odors.

Arrow 269

AC-69 NON-SOLVENT CLEANER & DEGREASER

A superior non-solvent cleaner in the SaferChoice* label. Highly effective on graphite, grease, synthetic lubricants, silicone, iodine, and ink.

Arrow 353

FOAMY HAND SOAP

Quickly cleanse light to medium soils with a rich foam containing aloe and vitamin E to help nourish the skin. Ideal for any environment and formulated with biodegradable ingredients.

Arrow 432

SPOT, STAIN & ODOR REMOVER

An easy-to-use, all-purpose carpet and upholstery spotter that combines detergent and deodorant to emulsify and lifts soils for removal by blotting or extracting methods.

Arrow 436

MULTI-ZYME SUPER DIGESTANT

A multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste including proteins, fats, oils, grease, starches, hair, and vegetable gums.

Arrow 451

CONCENTRATED GLASS & SURFACE CLEANER

Concentrated Glass & Surface Cleaner's advanced formula cuts through smoke, grease, and grime.

Environmentally Responsible

Arrow 476

AROBRITE

A highly concentrated, heavy-duty solution in the Safer Choice* Label that is effective in all temperatures, and powerful enough to remove stubborn dirt and stains while gently whitening.

Arrow 688

ECO-ORANGE

A powerful, environmentally preferable degreaser, Arrow's Eco-Orange instantly penetrates and emulsifies grease, oil, dirt, and grime. Formulated with chemicals listed by Cleangredients™.

Arrow 499

OXY POWER

Oxy Power is a multi-purpose stain remover, color brightener, deodorizer, mold and mildew stain remover, safe for all washable fabrics and surfaces including carpets, countertops, and shower rooms.

Floor Care

Arrow's floor care cleaning solutions remove dirt, particulate, and oily soil and prevent finishes from darkening or yellowing.

Floor Finishes

Arrow 309
ARMORCOTE

The ultimate floor finish with a 25% solid, metal cross-linked, polymer finish that produces an ultra-high-gloss wet shine for superior protection in high traffic areas.

Arrow 317
OUTSHINE 25

A technologically advanced sealer and finish designed for ultimate gloss, clarity, and durability with an optically enhanced formula that's quick-drying, easy to apply, maintain, and repair.

Arrow 278
LOW MAINTENANCE SEALER & FINISH

An easy-to-use solution for a glossy floor finish that's black mark and detergent resistant and quick drying with superior leveling properties and slip resistance.

Specialty Sealers

Arrow 300
AROTHANE SEALER & FINISH

A polyurethane and acrylic emulsion blend that delivers a superior gloss and extra durable protection, delivering outstanding results with non-buffed as well as high speed and spray buffed floors.

Arrow 304
ONE STEP REVITALIZER

A concentrated, cleaner and gloss enhancer that seals and protects rubber floors and gets exceptional results with UHS burnishers.

Floor Maintenance

Arrow 010
pH NEUTRAL DAILY CLEANER

pH Neutral Daily Cleaner is an all-purpose, environmentally preferable, no rinse, solution formulated to quickly penetrate and emulsify light to medium soils.

Arrow 172

UPSET SPILL & MESS ABSORBENT

Upset destroys odors on contact and absorbs mess in one quick step. Non-toxic and environmentally friendly, Upset provides fast and complete clean-up.

Arrow 197

BANA OIL MOP TREATMENT

Treat dust mops and cloths to quickly lift dust and dirt. This economical solution leaves floors and surfaces bright and protected.

Arrow 240

ARO CONCENTRATE

A powerful, concentrated, moderately alkaline, all-purpose cleaner with superior wetting agents for deep cleaning washable surfaces including floors, vehicles, restrooms, and woodwork.

Arrow 242

DAMP MOP

A versatile, concentrated neutral cleaner, Arrow's Damp Mop effectively cleans acrylic floor finishes, marble, granite, natural, stone, wood floors and other water-cleanable surfaces. Lemon Scent.

Arrow 244

SURE FOOT

A highly concentrated cleaner/degreaser for quarry tile and concrete floors that eliminates the grease build-up that can cause slippery floors. Restores the natural slip-resistance of quarry tile floors.

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease and grime, and lifting stains, soils, and odors. Brightens grout.

Floor Maintenance

Arrow 255

CLEAN BRITE SOAP & WAX

A concentrated soap and wax combination developed for food service operations and buildings open 24 hours a day with limited cleaning time. Cleans while leaving a light wax sheen.

Arrow 306

REBUFF FLOOR ENHANCER

Formulated as a spray buff or mop-on floor enhancer, the thermally activated relaminator repairs scuffs, scratches, and abrasions, cleaning, and rejuvenating base coats with a wet look sheen.

Arrow 314

NEUTRALIZER

A concentrated, advanced floor neutralizer designed to remove alkaline, rock salt, ice melt and stripping solution residue from resilient tile and other floor surfaces.

Regular floor care with solutions from Arrow helps maintain floor appearance and improves safety for visitors and employees.

Powdered Floor Cleaners

Arrow 210

KLENZ-ALL

Klenz-All is a powerful, powdered, all-purpose cleaner safe for hard surfaces and floors. You supply the water, making this product economical as well as versatile.

Arrow 226

GARAGE FLOOR CLEANER

Powerful powdered cleaner designed to quickly dissolve grease, grime, oil and dirt from concrete and cement floors.

Sweeping Compound

Arrow 175

CLEAN SWEEP

Made from uniform northern wood fiber compounded with A-1 grade paraffin oil, Clean Sweep is ideal for use on unwaxed floors, leaving no grit on wood, concrete, or cement.

Arrow 185

WAX SWEEP

A unique wax formulation that coats the compound's wood fibers for maximum absorption of dust and soil. Safe to use on all floor types.

Floor Strippers

Arrow 312

NO RINSE WAX STRIPPER

No Rinse Wax Stripper uses a powerful formula to cut through layers of old finish in minutes, reducing the labor time associated with conventional stripping products.

Arrow 313

ZIPITY STRIP

A powerful formula that quickly strips multiple coats of burnished finish from resilient tile floors using hot or cold water and minimal scrubbing.

Food Service and Processing

A full line of food service and food processing cleaning products to provide a safe, healthy environment for customers and teams. Get high performance, targeted sanitation solutions for every surface in food service establishments, from the front to the back of the house.

Automatic Warewash

Arrow 108

SOLID BULLET MACHINE DISH DETERGENT

A heavy-duty, solid detergent designed for use in high and low-temp commercial dish machines. Ideal for use in areas with normal to hard water in approved dispensing units.

Arrow 109

RED DETERGENT MACHINE WAREWASHING LIQUID

An economical machine dishwashing detergent for use in injector detergent feed systems that's tough on grease, mineral build-up, and baked-on stains on dishes, glassware, and silverware.

Arrow 110

SUPER MACHINE CHLORINATED DISH POWDER

A chlorinated machine dishwashing powder formulated to remove stain deposits from coffee, tea, and lipstick on china and plasticware.

Arrow 112

CHLORINATED LIQUID MACHINE DISH DETERGENT

A liquid chlorinated machine dishwashing detergent for use in injector fed warewash systems to effectively clean grease, hardened soils and stains from dishes, glasses, and silverware.

Arrow 113

CHLORISAN SANITIZER

A concentrated liquid chlorine bleach sanitizing compound that promotes destaining and free rinsing in low temperature warewashing machines, food processing, and dairy equipment.

Arrow 116

ALL TEMPERATURE RINSE

A super-concentrated sheeting agent that saves time and labor by controlling foam and leaving surfaces sparkling clean without towel drying.

Drain and Grease Trap Care

Arrow 436

MULTI-ZYME SUPER DIGESTANT

A multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste including proteins, fats, oils, grease, starches, hair, and vegetable gums. Eliminates odors that attract fruit flies.

Arrow 505

DRAIN OPENER

A fast-acting solution that dissolves obstructions from hair, grease, paper, matches, rags, and organics with no need to remove standing water or worry about damage to pipes or fixtures.

Food Processing

Arrow 113

CHLORISAN SANITIZER

A concentrated liquid chlorine bleach sanitizing compound that promotes destaining and free rinsing in low temperature warewashing machines, food processing, and dairy equipment.

Arrow 142

FOAMING CHLORINATED DEGREASER

A heavy duty, concentrated blend of high alkaline cleaning agents and bleach designed for food processing facilities to remove fatty soils, baked on carbon, blood, grease and oils.

Arrow 141

BLOCK WHITENER CLEANER WITH BLEACH

Quickly and efficiently cleans and whitens plastic and wood cutting blocks. It eliminates stains caused by grease, protein, fruits, vegetables, blood and other difficult food soils. For use on surfaces not harmed by bleach.

Food Contact Surface Sanitizers

Arrow 148

STERAMINE SANITIZING TABLETS

Concentrated, multi-purpose quaternary-based sanitizing tablets that dissolve in water, producing a distinct, pale blue sanitizing solution which tells immediately that this sanitizer is present.

Arrow 149

IODINE CLEANER & SANITIZER

A low-foaming cleaner/sanitizer for use in automatic dish machines outfitted with appropriate injector type equipment in commercial restaurants and other food handling institutions.

Arrow 150

SANITIZER

Designed specifically for food processing plants, dairies, restaurants, bars, and institutions where disinfection, sanitization, and deodorization are vital to creating a healthy environment. Ideal for 3rd sink sanitizing and other hard, non-porous food contact surfaces.

Arrow 151

SANI-SPRAY

A no rinse, ready-to-use food contact surface sanitizer developed for food service establishments that delivers a convenient, 200-ppm active quat solution, eliminating 99.99% of bacteria in 60 seconds!

Glassware Cleaners

Arrow 140

ARODIP

A liquid concentrate for manual cleaning of glassware, cooking utensils, silverware, plasticware, pots, pans, and dishes, leaving a polished look without spots or soapy film and no toweling necessary.

Arrow 146

LO SUDS

Ideal for electric brush glassware washers, delivering controlled suds with no spots, streaks, smudges, or film.

Arrow 114 **PRE-SOAK**

Easily soak away stubborn soils from silverware, stainless steel, pots and pans with a formula that has no harsh alkalis and is safe to use on all metals including aluminum.

Arrow 125 **ECONOMY HAND DISH POWDER**

A mild detergent with no harmful alkalis, abrasives or fillers, making it ideal for cleaning glassware, stainless steel, silverware, plasticware, china, pots and pans with no film or streaks.

Arrow 126 **PRE-SOAK POWDER**

A heavy-duty cleaning powder for cookware, bakeware, dishes, utensils, silverware, and stainless steel. Soak away baked on soils for quicker dishwashing!

Arrow 160 **JEM HAND DISHWASHING DETERGENT**

A concentrated detergent formulated for institutional and industrial use that's gentle on the hands but effective on pots, pans, dishes, glassware, and food service equipment.

Arrow 161 **BLUE DIAMOND PREMIUM DISHWASH**

Thorough cleaning and effective grease-dissolving, concentrated power with long-lasting, stable suds that leaves no streaks or spots. Contains emollients to protect and condition the hands.

Arrow 162 **SUNSHINE WITH LEMON BURST**

Long-lasting sudsing power that quickly cuts through the toughest grease with a super-concentrated formula and a fresh burst of lemon fragrance that leaves dishes sparkling clean.

Hand Dishwashing

Arrow 165

B-B BUBBLES CONCENTRATED DISHWASH

B-B Bubbles delivers rich, lasting suds for hand washing dishes. But the powerful cleaning action produces clean and spot-free vehicle exteriors, too! B-B Bubbles rinses quickly and safe for painted surfaces, glass, metal, and more.

Arrow 166

PINK SUDS DISHWASHING LIQUID

Formulated for institutional and industrial use to clean pots and pans thoroughly and get dishes and glassware sparkling. A concentrated detergent that's gentle on hands.

Arrow 167

PINK LOTION PREMIUM DISHWASH

An outstanding grease dissolving power with long-lasting, stable suds, and free-rinsing properties that never leave streaks or spots. Ideal for china, glasses, silverware, pots and pans, and equipment.

Arrow 169

EMERALD PREMIUM DISHWASH

A top quality, highly concentrated fresh apple scented liquid with effective grease dissolving power that provides long lasting, stable suds with no streaks or spots.

Food service and processing cleaning solutions from Arrow deliver results you need to keep areas sanitary and safe.

Arrow 115

DELIMER

Neutralize and remove lime and baked-on deposits from surfaces that have been exposed to high temperature using super-concentrated power that brightens aluminum, magnesium, stainless steel, copper, and chrome. Top choice for delimiting ice machines and dish machines.

Arrow 115E

LIME, SCALE & RUST REMOVER

A concentrated blend of acid and detergent formulated to remove iron, rust, scale, and lime build-up from stained surfaces including steam tables, dishwashers, and equipment exposed to high temperatures.

Arrow 134

SUB ZERO FREEZER CLEANER

An aggressive, ready-to-use, floor, wall, and equipment cleaner to remove dirt, grime, fat, and grease deposits from hard surfaces in sub-freezing, freezer, and cold storage areas. Aids in melting existing ice formations.

Arrow 135

KUTS SUPER DUTY KITCHEN DEGREASER

A liquid concentrate that easily KUTS grease, removes carbon and soil accumulation in vents, hoods, stoves, ovens, floors, walls, and more. Effective as a spray and wipe or mop on solution.

Arrow 136

OVEN & GRILL CLEANER

A versatile, ready-to-use solution for cleaning grills, roller grills, griddles, and ovens and quickly emulsifying heavy grease build-up and grime in cooking areas including hoods and vents.

Arrow 138

D-F DEEP FAT FRYER & GRILL CLEANER

Quickly remove grease and carbon with a heavy-duty, fast, and effective cleaner for surfaces including chrome, stainless steel, fryers, grills, griddles, filters, hoods, urns, and rotisseries. No harsh fumes.

Kitchen Cleaners

Arrow 170

STAINLESS STEEL CLEANER & POLISH

A multi-purpose solution that easily removes old wax build-up and fills in minor scratches, leaving a like-new gleam and an invisible protective film that resists smudges, fingerprints, and soiling.

Arrow 234

X234 HEAVY DUTY DEGREASER

Designed to tackle tough cleaning jobs by instantly dissolving and emulsifying heavy grease, oil, carbon deposits in a variety of applications.

Arrow 244

SURE FOOT

A highly concentrated cleaner/degreaser for quarry tile and concrete floors that eliminates the grease build-up that can cause slippery floors. Restores the natural slip resistance of quarry tile.

Arrow 245

CITRA CLING CITRUS BASED DEGREASER GEL

Made with natural citrus ingredients and a formulation that clings to vertical surfaces, Citra Cling delivers maximum cleaning power for the toughest baked on soils.

Arrow 600

900 DEGREASER

Arrow's 900 Degreaser is a versatile, economical, and heavy-duty butyl-based cleaner with flexible dilution ratios to meet a variety of cleaning challenges on hard surfaces, carpet, and fabric.

Hand and Body Cleaners

Formulas designed to meet the needs of your workplace or your customers, with ingredients designed for safe and effective hand and body care.

800 ML Boxless Bag Refills

Arrow 350

ARO-CIDE ANTIBACTERIAL HAND SOAP

Formulated with conditioning surfactants and Benzalkonium Chloride, an effective bacteriostat that kills a variety of disease-causing microorganisms, gently cleansing hands and leaving them germ free.

Arrow 351

ARO-SAN INSTANT HAND SANITIZER

Kill 99.99% of most common germs in 15 seconds or less without using water and a non-drying formula that evaporates quickly. Enhanced with aloe and vitamin E.

Arrow 352

ARO-SOFT PREMIUM LOTION SOAP

A high sudsing, general purpose lotion soap formulated with emollients to help soften the skin and a thick pearlized pink consistency to effectively remove grease and grime from hands.

Bulk Dispenser Soaps

Arrow 361

PINK PEARL HAND CLEANER

A concentrated, high sudsing hand and body cleaner that's pleasantly scented and pH-balanced, formulated with mild synthetic detergents for use at the sink or in the shower.

Arrow 362

JEWEL CREAMY PINK HAND CLEANER

An economical, pH-balanced solution that's ideal for dispenser use and formulated with mild synthetic cleaners to quickly removes dirt and grime while leaving hands fresh and clean.

Arrow 363

PINK CRÈME PREMIUM HAND SOAP

A premium, pH-balanced, high-sudsing hand and body cleaner made from mild synthetic detergents to quickly remove dirt and grease and leave the skin fresh, clean and conditioned.

Bulk Dispenser Soaps

Arrow 364

ARROW CARE HAND, HAIR & BODY SHAMPOO

An all-purpose hand, hair and body shampoo that's formulated to produce rich suds and is ideal for shower areas, locker rooms, and bathing facilities.

Arrow 366

MEDI-SOAP PLUS ANTIBACTERIAL HAND CLEANER

An antiseptic hand cleaner formulated with mild synthetic detergents to deliver a gentle cleanse and Chloroxylenol, an effective bacteriostat that leaves hands germ free.

Arrow 367

TOTAL BODY WASH

The perfect blend of cleaner, shampoo and conditioner designed to leave hair and body luxuriously clean. Formulated with a fresh fragrance and pH balanced to minimize drying. Ideal for dispenser use.

Heavy Duty Hand Cleaners

Arrow 320

ROYAL BORAX HAND SOAP

An alkaline, powdered formula that removes stains, and defeats grease and grime with ease; free-flowing for dispenser use.

Arrow 360

#20 LIQUID HAND SOAP

This product is specially formulated for use in greasy conditions. It is very effective for use in food service operations as well as factories. This product may be diluted with water as necessary to meet your requirements. Formulated with 20% coconut oil for frequent hand washers.

Arrow 368

TIGER PAWS HEAVY DUTY HAND CLEANER

An aggressive hand cleaner specifically formulated with citrus and grit to remove stubborn industrial soils and soothing emollients that will leave even the most frequently washed hands soft and smooth.

Arrow's Hand and Body Cleaner formulas reflect deep expertise and market understanding.

Foaming Hand Soaps

Arrow 353

FOAMY HAND SOAP

Quickly cleanse light to medium soils with a rich foam containing aloe and vitamin E to help nourish the skin. Ideal for any environment and formulated with biodegradable ingredients.

Arrow 354

FOAMING ANTIBACTERIAL HAND SOAP

Kill 99.99% of common germs that can cause illness with rich, soft foam that cleans light-to-medium soils with aloe and vitamin E to help nourish skin.

Arrow 355

FOAMING INSTANT HAND SANITIZER

Kill 99.9% of common germs in 15 seconds or less with a no alcohol formula fortified with aloe vera, vitamin E, and moisturizers to help nourish skin.

Arrow 369

FOAMING LUXURY HAND SOAP

Air infuses into the formula as it's dispensed, creating a rich, gentle, and luxurious lather that provides effective hand cleaning with a mild fragrance.

Restroom, Mold and Mildew

Easy-to-use formulas that tackle the unique challenges in restroom environments, creating a safe, sanitary environment for employees and customers.

Deodorizers

Arrow 172

UPSET SPILL & MESS ABSORBENT

Upset destroys odors on contact and absorbs mess in one quick step. Non-toxic and environmentally friendly, Upset provides fast and complete clean-up.

Arrow 236

AROLOSO

Aroloso from Arrow effectively cleans, shines, and deodorizes with a light, long-lasting lavender fragrance. Ideal for multiple hard surfaces or any area prone to malodors.

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease and grime, and lifting stains, soils, and odors.

Arrow 252

LEMON FRESH NUTRAQUAT

A one-easy-step, neutral pH disinfectant, virucide, fungicide, mildewstatic, deodorizing cleaner that can tackle a variety of microorganisms including: staphylococcus aureus, streptococcus pyogenes, HIV-1 and the Coronavirus that causes COVID-19.

Arrow 253

FRESH & CLEAN NUTRAQUAT

This versatile, pH neutral cleaner and disinfectant kills a broad spectrum of microorganisms including the virus that causes COVID-19. Use confidently on hard, non-porous surfaces including polished floors, restroom surfaces and other high-touch surfaces to reduce the risk of cross-contamination.

Arrow 400

AROFECT

Arofect from Arrow relies on natural pine oil to deliver an effective deodorizer, but the super concentrated formula provides powerful, heavy duty cleaning.

Deodorizers

Arrow 434

LEMON DEODORANT

A super-concentrated odor neutralizer to use in carpet cleaning solutions, mop water, as an air spray, and for general deodorizing.

Arrow 436

MULTI-ZYME SUPER DIGESTANT

A multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste including proteins, fats, oils, grease, starches, hair, and vegetable gums.

Arrow 437

AROLIMINATOR

A versatile, highly concentrated odor counteractant that's ideal for use with carpet cleaning solutions, in mop water, as an air spray, or for general deodorizing.

Restroom Cleaners

Arrow 246

CITRUS H₂O₂

Citrus H₂O₂ from Arrow brings the power of citrus and hydrogen peroxide to tough cleaning challenges, breaking down grease and grime, and lifting stains, soils, and odors.

Arrow 254

SCUM REMOVER & BRIGHTENER

Easily cut through soap scum, dirt, mold and mildew stains, getting a clean, bright shine on a variety of surfaces including shower room fixtures, tile and grout.

Arrow 436

MULTI-ZYME SUPER DIGESTANT

A multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste including proteins, fats, oils, grease, starches, hair, and vegetable gums.

Restroom Cleaners

Arrow 237

SCUM BUSTER

Quickly removes soap scum, oils, dirt and grime from showers, bathtubs, tile & grout and more with little to no scrubbing and a water rinse.

Arrow 439

TAKE-1 GLASS & ALL SURFACE DISINFECTANT

Clean, disinfect, and deodorize in one easy step with a phosphate-free formula works effectively in facilities where controlling the hazards of cross contamination is a priority.

Arrow 440

NO ACID BOWL CLEANER

Easily and effectively remove daily accumulations of lime, rust, mineral stains, and soil from toilets and on all restroom surfaces when diluted using a 4:1 ratio.

Arrow 442

FORMULA 442

A one-step germicidal cleaner and deodorant designed for general cleaning, disinfecting, and deodorizing. Controls mold and mildew on hard, non-porous inanimate surfaces.

Arrow 443

HANG TIME

Clean, deodorize, and disinfect with one step and a powerful foaming action that makes disinfecting vertical surfaces easy. Clinging foam stays in place to allow maximum contact time for proper disinfection.

Arrow 448

AROPHOS

A super thick formula designed to cling to vertical surfaces for maximum penetration and effortless cleaning; contains 20% phosphoric acid to removes scale, rust, calcium deposits and discolorations.

Restroom Cleaners

Arrow 505

DRAIN OPENER

A fast-acting solution that dissolves obstructions from hair, grease, paper, matches, rags, and organics with no need to remove standing water or worry about damage to pipes or fixtures.

Tile and Grout Cleaners

Arrow 141

BLOCK WHITENER CLEANER WITH BLEACH

Tackle tough stains, grease and dirt on hard, non-porous surfaces including tile and grout. Deodorize, whiten, and brighten surfaces with a mild, clean scent.

Arrow 254

SCUM REMOVER & BRIGHTENER

Easily cut through soap scum, dirt, mold and mildew, getting a clean, bright shine on a variety of surfaces including shower room fixtures, tile and grout.

Arrow 447

PROCLEAN GROUT & GRIME

A professional-strength cleaner and deodorizer effective on toilet bowls, urinals, certain tile & grout, and other surfaces not harmed by acid cleaning.

Toilet Bowl and Urinal Care

Arrow 440

NO ACID BOWL CLEANER

Easily and effectively remove daily accumulations of lime, rust, mineral stains, and soil from toilets and on all restroom surfaces.

Arrow 441

CREAM BOWL CLEANER

This high acid formula dissolves rust, lime and scale on toilet bowls and urinals, especially in hard water areas. Formulated with 20% hydrochloric acid.

Toilet Bowl and Urinal Care

Arrow 442

FORMULA 442

A ready to use bowl and bathroom cleaner that cleans, disinfects and deodorizes toilet bowls and urinals when used as directed.

Arrow 446

ACTIVE PORCELAIN CLEANER

Quickly cleans, deodorizes and removes tough stains from toilets and urinals. This 9% hydrochloric acid formula is great for hard water areas.

Arrow 448

AROPHOS

A super thick formula designed to cling to vertical surfaces for maximum penetration and effortless cleaning; contains 20% phosphoric acid to remove scale, rust, calcium deposits and discolorations.

Specialty Products

Arrow's specialty cleaning solutions are safe and effective for a wide range of surfaces, delivering powerful results. Product formulations quickly break down and disperse components of tough stains like ink, tar, grease, or waxy build-up.

Specialty Products

**Arrow 172****UPSET SPILL & MESS ABSORBENT**

Upset destroys odors on contact and absorbs mess in one quick step. Non-toxic and environmentally friendly, Upset provides fast and complete clean-up.

**Arrow 247****SUPER CITRUS SOLVENT**

A natural citrus solvent that is non-caustic, non-acid, and non-corrosive, Arrow's Super Citrus Solvent uses D-Limonene, a citrus fruit by-product to deliver an aggressive clean.

**Arrow 370****LONDON POLISH**

Get a hard, brilliant luster that protects and seals fine woodwork and polishable surfaces because the solution removes old wax build-up, conditions, and moisturizes with natural lemon oil.

**Arrow 468****PRO-SHIELD STAIN PROTECTOR**

A water and oil repelling finishing agent that provides excellent soil resistance on carpets, leather and upholstery and produces a durable finish that helps retain a like-new look.

Vehicle Detailing

**Arrow 165****B-B BUBBLES**

B-B Bubbles delivers rich, lasting suds for hand washing dishes. But the powerful cleaning action produces clean and spot-free vehicle exteriors, too! B-B Bubbles rinses quickly and safe for painted surfaces, glass, metal, and more.

**Arrow 269****AC-69 NON-SOLVENT CLEANER & DEGREASER**

A superior non-solvent cleaner in the SaferChoice* label. Highly effective on graphite, grease, synthetic lubricants, silicone, iodine, and ink. Safe and effective on leather, vinyl and fabric.

Arrow 370 **LONDON POLISH**

Get a hard, brilliant luster that protects and seals fine woodwork and polishable surfaces because the solution removes old wax build-up, conditions, and moisturizes with natural lemon oil. Great on leather and vinyl - restores shine.

Arrow 436 **MULTI-ZYME SUPER DIGESTANT**

A multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste including proteins, fats, oils, grease, starches, hair, and vegetable gums.

Arrow 450 **GLASS BLAST**

Clean, brighten and polish glass and other surfaces. Choose an easy-to-use spray or economical refill. Dries fast without streaks or residue.

Arrow 451 **CONCENTRATED GLASS & SURFACE CLEANER**

Concentrated Glass & Surface Cleaner's advanced formula cuts through smoke, grease, and grime.

Arrow 496 **VEHICLE WASH & WAX**

A concentrated car wash and wax for a one-step solution that delivers an effective soil penetrating wash that wets, emulsifies in cold or warm water, cleans, and rinses quickly. Leaves a light wax sheen.
