## PRODUCT DESCRIPTION

Arrow's Sani-Spray is a no rinse, ready-to-use product that delivers a convenient, 200-ppm active quat solution. It eliminates 99.999% of bacteria\* in 60 seconds! Developed for food service establishments, schools, institutions, bars, restaurants, and cafeterias to sanitize hard nonporous, surfaces without rinsing.

## DIRECTIONS

See full label for complete directions. Apply this product as is to sanitize hard nonporous surfaces with a trigger spray device. For spray applications, spray 6-8 inches from surface. Do not breathe spray. Rub with brush, cloth, or sponge. Surfaces must remain wet for at least 60 seconds. Allow surfaces to air dry. Do not rinse. Change cloth, sponge or towels frequently to avoid redeposition of soil.
